Ambassador Day!

Louis Armstrong's worldwide talent earned him the title of "Ambassador of Goodwill" even before his State Department Tour in 1960. In honor of his Ambassadorship, the House will be hosting multi-Language tours all day (Spanish, Mandarin, French, Arabic). Visit our website for a detailed schedule. Registration needed.

Music Family Workshop

Louis Armstrong's music originated in New Orleans and traveled through many countries, but he would always come back home to Corona. His sound carried new stories about the places he saw. We invite our community to participate in these garden workshops celebrating the rhythmic heritage of the music around the world, welcoming everyone in the family.
